- Circuits

IMPORTANT NOTES:

1. Only the Altman fixtures form part of the Black Box standard rig and are available for hirers. The fixtures are pre-hung in standard positions but are not focused. Final focusing and adjustment are the responsibility of the hirer. If fixtures are moved from their standard rig positions, the hirer is responsible for reinstating them to their original standard rig positions at the end of the hire period.

2. All ROBE fixtures (grey out) are not available for use and must not be moved.

3. House speakers are fixed and cannot be moved / adjusted.
